Regular (weight = 400)

Alice was beginning to get very tired of sitting by her sister on the bank, and of having nothing to do: once or twice she had peeped into the book her sister was reading, but it had no pictures or conversations in it, “and what is the use of a book,” thought Alice, “*without pictures or conversations?*”

Cyrillic

Не буду распространяться о вашем дифирамбе любовной связи русского народа с его владыками. Скажу прямо: этот дифирамб ни в ком не встретил себе сочувствия и уронил вас в глазах даже людей, в дру-гих отношениях очень близких к вам по их направлению. Что касается до меня лично, предоставляю вашей совести упиваться созерцанием божественной красоты самодержавия (оно покойно, да — и выгодно), только продолжайте благоразумно созерцать его из вашего прекрасного далека: вблизи-то оно не так прекрасно и не так безопасно...
